Silver Caduceus Association

Message from the President:

As we enter the Spring season I want you to know that your Board of Directors have been hard at work over the last few months working for you. The biggest news is that we have an updated, simplified dues structure. A one year renewal is \$15, five years is \$50 and anyone may choose to become a Lifetime member for a one-time fee of \$350. There is a \$10 one-time fee for new members to cover administrative costs.

We now have 553 members having added three new members since the beginning of the year. The roster now contains 384 Regular, 164 Lifetime, 3 Associate and 2 Honorary members. Over the last quarter 78 members have renewed their membership; however, there are still 69 members with 2016 expired memberships and 35 expired members still in the database from 2015. I truly appreciate and commend all who have chosen to renew their membership since the beginning of the year. Our membership is our strength. If you know of a member who has not renewed or an MSC, active or retired, who is not a member of the Silver Caduceus Association please contact them and encourage them to join.

Finally, I am excited to announce that San Antonio, TX will be the site of our 2018 Silver Caduceus Association Reunion. Exact dates have not been established but we are targeting the month of October or November. Your SCA Board considered a number of alternative sites, and after compiling the results of our member survey, returning to San Antonio was the clear consensus.

Schedule eight minutes to recruit a member.

- ◇ In the first five minutes, go to our webpage and log on to our membership directory.
- ◇ Then find an MSC colleague who isn't listed in the directory.
- ◇ That person is not a member.
- ◇ In the next three minutes write or call that person.
- ◇ Share our mission statement.

- ◇ Recruit them as a member.

If you have any questions or ideas about recruiting our fellow Army MSCs, please write me. You'll find my email address in the membership directory.
